Section 1 Transfer of Permit The Association and each of its Members agree that at anytime after (i) all work required under the Stormwater Permit has been completed (other than operation and maintenance activities), and (ii) the Declarant is not prohibited under DENR regulations from transferring the Stormwater Permit to the Association, the Association's Manager shall, without any vote or approval of Lot Owners, and within 10 days after being requested to do so, sign all documents required

by DENR for the Stormwater Permit to be transferred to the Association. If the Association fails to sign the documents required by this paragraph, the Declarant shall be entitled to specific performance in the courts of North Carolina requiring that the Association Manager signs all documents necessary for the Stormwater Permit to be transferred to the Association. Failure of the Manager to sign as provided herein shall not relieve the Association of its obligations to operate and maintain the stormwater facilities covered by the Stormwater Permit.

Section 2 Hold Harmless The stormwater retention/detention pond(s) and related facilities constitute Common elements/Area, and the Association is responsible for operation and maintenance of such. The Association shall indemnify and hold harmless the Declarant, its successors and assigns, from any obligation and costs for operation and maintenance under the stormwater permit after the permit is transferred to the association, as provided for above

ARTICLE VIII LOTS SUBJECT TO DECLARATION/ENFORCEMENT

Section 1 Lots subject to declaration. The covenants and restrictions contained in this declaration are for the purpose of protecting the value and desirability of the planned community and the lots. All present and future owners, tenants and occupants of lot and their guests or invitees, shall be subject to, and shall comply with the provisions of the Declaration, as the declaration may be amended from time to time, and all Rules and Regulations set by the Declarant, or Executive Board after the period of Developer Control. The acceptance of a deed of conveyance, or the entering into of a lease or the entering into occupancy of any lot, shall constitute an agreement that the provisions of the Declaration are accepted and ratified by such owner, tenant, or occupant. The covenants and restrictions of this Declaration shall run with and bind the land and shall bind any person having as any time any interest or estate in any lot, their heirs, successors and assigns, as though such provisions were made a part of each and every deed of conveyance or lease, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless amended or terminated by the Lot Owners.

Section 2 Miscellaneous Failure by the association, or by an owner, to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The remedies provided herein are cumulative and are in addition to any other remedies provided by law.

ARTICLE VIII RIGHTS OF INSTITUTIONAL LENDERS

Institutional lender or Institutional lenders as the term is used herein, shall mean and refer to banks, savings and loans, savings banks, insurance companies, the veteran's administration, the Federal Housing Authority, the Federal National Mortgage Association, and other reputable mortgage lenders, guarantors, and insurers of such first mortgages. So long as any Institutional Lender or Institutional Lenders shall hold any mortgage upon any lot, or shall be the owner of any lot, such Institutional Lender or lenders shall have the following rights.

- A. To be furnished with at least one copy of the Annual Financial statement and report of the association, including a detailed statement of annual carrying charges or income collected and operating expenses, such financial statement and report to be furnished by April 15th of each calendar year.
- B. To be given notice of the association of the call of any meeting of the membership to be held for the purpose of considering any proposed Amendment to the Declaration, or the Articles of Incorporation and Bylaws of the Association, which notice shall state the nature of the amendment being proposed, and to be given permission to designate a representative to attend all such meetings.
- C. To be given notice of default in the payment of assessments by an owner of a lot encumbered by a mortgage held by the institutional lender or lenders, such notice to be given in writing and to be sent to the principle office of such Institutional lender or lenders, or to the place which it or they may designate in writing to the Association.
- D. To inspect the books and records of the Association and the Declaration, bylaws and any rules and regulations during normal business hours, and to obtain copies thereof, for a reasonable copying fee.
- E. To be given notice by the Association of any substantial damage to any part of the common area.
- F. To be given notice by the association if any portion of the common area is made the subject matter of any condemnation of eminent domain proceedings or is otherwise sought to be acquired by a condemning authority.

ARTICLE IX GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an owner or enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 3. Amendment of Covenants. Except as otherwise provided in these Covenants, the terms herein may not be amended during the period of Developer Control. After the period of Developer Control the terms herein may not be amended unless seventy five percent (75%) of the Lot Owners agree to such amendment at a meeting duly called for the purpose of voting on such changes. Any amendment approved shall be evidenced by a writing setting out such amendment, which shall be signed by all Lot owners approving, and which writing shall be recorded in the Registry of New Hanover County. In no event shall any amendment be effective to remove or modify any of the Declarant's rights without the written approval of the Declarant.

IN WITNESS WHEREOF, SECOF, LLC, the Declarant has caused this instrument to be executed by its duly authorized Member/Managers(s), all the day and year first above written.
